'Chief Cleaners' To Open Office Here Tomorrow

Announcement of the opening of the Chief Cleaners and Dyers at 2655 Broadway Saturday was announced this morning by Jack Woods, proprietor.

The new cleaning establishment features the Tet-Tri-Zol cleaning process which makes it possible to clean and press garments and return them in the space of four hours time. There is no odor to the process and it is scientifically the greatest advancement in cleaning for the past 20 years, according to Mr. Woods.

Jack Woods

Cleaning of men's and women's apparel, rugs, curtains, draperies and household goods as well as a complete laundry service will be offered to the public.

The Tet-Tri-Zol process was the only cleaning method used at the Century of Progress Exposition in Chicago, Woods said. It preserves the body and the natural oils of the fabric enabling it to wear longer.

Mr. Woods has been associated in the cleaning business for the past 19 years and operates several stores in San Francisco at the present time. He intends to open another store in Palo Alto within a short time. He is vice-president of the Better Cleaners Alliance of Northern California.

$100,000 Goal Set By Group For Campaign

Clubs Assist Movement To Create Work Program

House to house soliciting in the Redwood City Better Housing Program launched by the federal government got underway today with the assistance of volunteer workers from various public spirited organizations.

Mayor Charles G. Lambert today issued a proclamation in which he called upon all citizens to participate in the program.

The Redwood City Exchange Club received its housing campaign material last night and opened solicitations in the district allotted.

The Kiwanis Club received its material at noon today, and the Redwood City Women's Club and Redwood City Lions Club was also to start working their districts within a few days.

Henry Witte, chairman of the executive committee of the Redwood City Better Housing Campaign, reports an unusually good response locally and he anticipates reaching the goal of $100,000 of repair and alteration work the committee has set for itself. This will reduce local relief necessities to a minimum.

Witte strongly urges all licensed contractors who have not done so to register with the committee at once so that their names may be added to the list of recommended contractors which will be handed to each householder who signs up to have work done during the better housing drive.

Banks are supplying funds through loans to assist in the housing program.

MAYOR URGES SUPPORT FOR HOUSING PROGRAM

PROCLAMATION

"For those who live in houses, those who repair and construct houses, and those who invest in houses . . ."

Whereas the National Housing Act, through the Federal Housing Administration, has made it possible for the owner of real property to:

Better the living conditions of his family,
Increase the efficiency of his business,
Protect and safeguard his investments,
Stimulate the morale and workmanship of his employes,
Improve the standards and civic pride of his neighborhood,

Now, therefore, be it known that plans have been perfected for launching a Better Housing Program in Redwood City beginning October 17, 1934, the purpose of which is to stimulate repairs, alterations and improvements to homes and business properties. In this worthy and vital movement, made possible by the National Housing Act, we urge that every owner of real property act at once. Every property owner who puts men to work and creates a demand for building materials and services will find himself repaid many times in personal, as well as community benefits. Your participation in the Better Housing Program means better business, better surroundings and better living for every citizen of this community. The opportunity and the challenge are yours! I call upon you to act.

Sunday Traffic Toll One Death

Pedestrian Is Killed; Others Injured In Crashes

Charles Murphy, 28, operator of a kennels for racing dogs at South San Francisco, was killed instantly when he was struck down by an automobile Sunday in that city.

John Mangini, 228 A street, South San Francisco, driver of the car that struck Murphy, was booked on a technical charge of manslaughter pending an inquest into the tragedy.

Murphy, owner of a string of dogs, was walking with his wife from their kennels on Linden avenue to their home at 329 Grand avenue, South San Francisco, when the tragedy occurred.

Another pedestrian was injured in the northern part of the county when a car driven by Tony Lima, 2214 Irving street, San Francisco, rolled onto the sidewalk and struck Mrs. Anna Sanpino, 23, of 906 Hanover street, Daly City.

Mrs. Luther Schambach, 30, of San Carlos, her two sons, Richard, 7, and David, 3, and Tristan Pratt, 42, also of San Carlos, were injured in a head on collision on El Camino Real near Oak Grove avenue, Burlingame, where an excavation shut off half the roadway.

Luther Schambach, driver of their machine, escaped unhurt. George S. Weidman, 1240 Sixth avenue, San Francisco, driver of the other car involved, was released on $50 bail on a reckless driving charge.

Three persons were hurt in a collision at Menlo Park. G. E. Stewart, driver of one machine, was slightly hurt, but Miss Helen Totten, 22, San Jose nurse, his companion, incurred a possible skull fracture, and Miss Geraldine Agnew, 1205 Byron street, Palo Alto, driver of the other car, suffered an arm fracture.

On the Skyline boulevard, Ann Heister, 32, 355 Silliman street, San Francisco, was injured in a collision between the automobile of William H. Grenle, 50, of the same address, and P. L. Peterson, 51, of Colma. The accident occurred near the northerly county line.

Thompson Wins Aid of Council In Home Town

Endorsement of the candidacy of Dr. C. V. Thompson, chairman of the San Mateo county board of supervisors, who is seeking re-election at the November 6 general election, was given this week by the mayor and two members of the city council of Burlingame, where Dr. Thompson resides.

Particular significance was placed upon the endorsements of the three councilmen, in view of the fact that Dr. Thompson's opponent is a member of the Burlingame council, which consists of five members. These endorsements were given at a public meeting in Burlingame at which Dr. Thompson spoke, and were clear and pointed.

Mayor Allan F. Hunt commended Dr. Thompson's service to the county during the years he has been on the supervisorial board, and urged his re-election because of his wide experience, knowledge of county affairs, ability and integrity. He said Dr. Thompson has been a friend of not only Burlingame, but the entire county, and was deeply interested in the county's progress.

Councilman William W. Hives said Dr. Thompson's record is commendable, and he should be re-elected.

Councilman William Handlos, who was unable to attend the meeting, sent his endorsement. He concurred with his colleagues, and Mrs. Handlos added her own endorsement.

These are but a few of the outstanding civic leaders of the county, who are urging Dr. Thompson's re-election, and actively supporting his campaign.

O'Keefe Starts Merriam Group Over Peninsula

D. E. O'Keefe, a member of the county Republican committee, has begun the organization of a county a Merriam Republican club. It will be a general organization with headquarters at Redwood City. A big group of Republican and Democrats will support the club in the hope that San Mateo county will give Merriam a two to one vote over Sinclair.

The Republican county committee is working with the non-partisan clubs in holding meetings and distributing literature. Merriam has a hard-working organization. Nothing is being left undone to secure votes for a safe and sound governor.

Rum Still Raided Near Alpine Road

Six men were arrested, and a 300-gallon still was seized in a repeal "liquor raid" by alcohol tax agents on the Alpine road, near La Honda, late yesterday.

Those held were reported to be Harry Chato, Ray Sweeney, Charles Edwards, Percy van Wood, George Johnson and Louis Jacque.

Four Relatives Plan to Claim Frazer Wealth

Three asserted nieces and a nephew today came forward as possible claimants to a share in the wealthy estate of James Frazer, Palo Alto "mystery man" merchant, who died more than a month ago.

Revelation of their claims was made with the filing of a notice with the court and attorneys for Dr. J. C. McGovern, public administrator, asking that they be given a special notice of such proceedings as the filing of petitions for sale, leases or mortgages of any properties, filing of accounts, filing of petitions for distribution and filing of petitions for partition of any properties.

This notice was filed by Nelson H. Tunnicliff, as attorney-in-fact for Sarah Robinson, Elizabeth Morton, James Wilson and Jane Wilson Verner, nieces and nephew.

Tunnicliff's office today withheld the addresses of the claimants but indicated that a formal claim against the estate would be filed in the near future. It was also indicated that they are children of Frazer's sister.

Special notice of all similar proceedings in the Frazer estate was also asked for by J. J. Sugarman Company, Ltd., 415 East Ninth street, Los Angeles, through its attorneys, Torregano and Stark, of San Francisco.

In the meantime, Dr. McGovern today had received from Superior Judge Franklin Swart an order to continue operation of the Frazer and Company stores in Palo Alto.

77,000 Commute Daily Between S. F., Peninsula

Some interesting statistics worked out by the San Mateo County Planning Commission under the direction of Hugh Pomeroy, adviser, and Ronald Campbell, technician, in connection with bay bridge transportation problems, are as follows:

Daily Commuter Movement

By steam train	13,000

By stage	3,000

Average Value Homes

Merriam First Choice in Local Straw Balloting

A straw vote on the governor's contest was taken in the county during the week. Five hundred citizens announced their intention to cast their ballot in November as follows:

Merriam, 375; Sinclair, 100; Haight, 25.

Layng, Irwin Will Represent Kiwanis

John Layng and Lee Irwin, members of the Redwood City Kiwanis Club, will go to San Diego as delegates to the district convention to be held on October 18 to 20.

The Rev. Father C. E. Kennedy, San Francisco, honorary member of the local club, will leave on the Kiwanis Special this evening to attend the convention.

Link to Be Opened Bids on Coastside

Bids on the Half Moon Bay road from the Skyline to Half Moon Bay will be opened tomorrow or next Tuesday at Sacramento, it was announced today.

San Carlos Will State Fund Rally Opening Oct. 20

At a meeting of the San Carlos Central Budget Association held October 10, a "three-in-one-drive" from October 20 to October 30 was decided upon to raise funds required during 1935 by the Boy Scouts, Girl Scouts and Young Men's Christian Association.

The Red Cross was also invited to join, but could not do so due to a ruling of the National Red Cross Headquarters. The annual Red Cross roll call will be held in November as usual.

Officers elected were E. R. Burton, president; Mrs. O. L. McIntyre, vice president, and J. M. Edling, secretary-treasurer.

This drive will eliminate the necessity for separate drives by each of the organizations involved. The town will be divided into districts and representatives of the budget association will call at every home and place of business so that everyone may be given an opportunity to contribute to these worthy causes.

Those attending the meeting were Mayor Asa Hull, Mr. and Mrs. H. E. Pauling, Hugh Riley, William Scott, Mrs. Mary Davis, Mrs. O. L. McIntyre, Mrs. Henry Shaffer, Phil Noerager, Miss Helen Chesebrough of the county Red Cross office, J. M. Edling, E. R. Burton and A. L. Mewhirter.

$50,000 Is Asked By Hurt Pedestrian

In a complaint charging that he was run down by a truck on the Bayshore highway on October 1, Alfonso Navarro today filed suit with the superior court in Redwood City for $50,000 damages for injuries assertedly incurred in the accident.

T. Murakami is defendant in the action. Vincent W. Hallinan is attorney for the plaintiff.

THIRTY YEARS OF PROGRESS

Central picture shows the Bank of Italy, predecessor of the Bank of America, as it looked in 1906. The original office on Columbus Avenue where the Bank was established on October 17, 1904, was razed by the San Francisco Fire. In thirty years the Bank of America has assumed state-wide proportions under the leadership of A. P. Giannini (lower center). San Francisco, head office of the branch bank (left) and Los Angeles, main office (right) as they are today, are shown in contrast to the Bank premises of twenty-eight years ago.

County Board Backs Bonds

Supervisors to Support $24,000,000 State Relief Issue

Support of the $24,000,000 State of California unemployment relief bond issue was voted Monday by the San Mateo County Board of Supervisors.

The board's action came upon motion of Supervisor Albert Witt, seconded by Supervisor John Poole, and Roscoe D. Wyatt, director of publicity, was instructed to publicise the proposal.

C. E. Grier, chairman of the unemployment committee of the California supervisors' association, urged the board to approve the bonds.

The Burlingame Woman's Club entered a protest before the board on the dumping of between 18 and 20 carloads of garbage daily in San Mateo county.

Complaint was made by the group that the garbage is insufficiently covered. The board asked District Attorney Edmund Scott to investigate.

Order Roads Improved

Request of residents of the Highlands of Emerald Lake for improvement of Park road, Woodland place and Lakeview road was referred by the board to the county engineer with instructions to proceed with rolling and oiling.

Offer of 803 additional acres of land for county park purposes adjoining the Memorial Park near Pescadero was referred by the board to the recreation committee.

Delay over the start of work on Coast road from Sharp's Park north resulted in the board directing an inquiry to the state.

To Improve Quarters

Ventilation and lighting in the supervisors' chambers were complained of by Supervisor Manuel Francis and the board directed County Executive Walter Kellogg to recommend improvements.

Capt. L. G. McAloney, director of relief, informed the board that there were vacancies now in reply to [illegible]t of Ella Chase of Lomita [illegible] appointment to the Daly City relief office.

Contract for lighting in Menlo Park was approved by the board.

A soft drink permit was granted to Gustav eSebohm of Woodside.

SERA Park Camp Relief Proposal Given Approval

A new work relief project has been approved for operation in the San Mateo County Memorial Park Camp, the SERA offices of Vernon D. Northrop, acting SERA administrator, pointed out today.

The work will consist of adult education in academic subjects, civics, current events, civic problems, nature handicrafts and recreation. Four persons will be employed as teachers.

Because of the stagger system of labor employed on SERA projects necessitated by having the workers earn only their budgetary deficiencies, a total of 12 workers can be absorbed on the project.

Persons formerly on relief or in need of relief will earn their full budgetary requirements on this project. The sum of $720 has been appropriated for work relief labor.

For the fiscal year ending September 27, 781 persons formerly on relief or in need of relief in San Mateo county earned $9,848.90, thereby providing for their full budgetary requirements.

Menlo Park Council To Rezone Streets

An ordinance will be introduced at the next meeting of the Menlo Park City Council re-zoning two streets from their present residential classification and placing them in the business area. The streets are Santa Cruz between Chestnut and University drive and the west side of Doyle street.

Because there were no protests against the proposed change at a public meeting held last night by the council, the re-zoning will be accomplished as rapidly as the council can put through the necessary ordinance.

The council had previously accepted a recommendation of the planning commission urging the re-zoning.

Mr. Sinclair Mere Intruder

"Democratic voters should realize that an army of interlopers having neither faith in nor sympathy for true Democracy has entered our primary for the purpose of capturing the organization and transforming the State of California into the first great Socialistic wedge to split the American Union wide open. The Epic plan is of utter and hopeless impracticality."

The above words fell from the lips of the Democratic United States Senator William Gibbs McAdoo in an address delivered over the California network of the Clumbia Broadcasting system on July 23, 1934, being a truthful description of the feelings and position of blueblooded Democrats.

Shortly after the primary, however, Mr. McAdoo pledged his support to Upon Sinclair and his Epic plan and silently stole out of the State with no explanation of his reversal. This is just one of the many incidents showing the mysterious power exerted by Upton Sinclair.

Governor Frank Merriam bears a vivid contrast with his flim-flam opponent. While it is true that Governor Merriam is conservative to a marked degree, the destinies of this state could rest well in conservative hands during the transitory period through which the entire nation is passing.

To know the man is to know the qualities which mark him as capable and understanding the needs of the people over which he must exercise a firm, wise and paternal control. The problem of the coming election resolves itself into the question of wisely embracing a man whose sound economic qualities are known and have stood the test of public criticism or falteringly raised an unknown person, whose qualities for the position are absolutely questioned, to the highest office that the state can offer.

Upton Sinclair's policies are still in the stage of unworkable theories and although they have not been given a practical experimentation, the state at this time should not, and can not, become the experimental laboratory for such idiotic ideas at the expense of the citizenry of this state.

Upton Sinclair, whether he be confined between the dirty covers of a hateful and conceited "literary manuscript" or whether he be confined to the soap-box from which he shouts his ridiculously atheistic criticism is decidedly dangerous to the social, political and economic security of the state of Californa.

Mr. Sinclair must of necessity be defeated at the November election. If his literary masterpieces reflect the character of the author then his election would be a crushing blow to Christianity and civilization. It would be the entering wedge of the principles of Communistic government in the United States, which might spread to other states and ultimately destroy our national democracy and transform the United States into the United Soviet States of America.

Regardless of religious beliefs or prejudices and former party affiliations, every voter opposed to the blighting curse of Communism and its committent evil, atheism, should vote against Sinclair and for Frank Merriam, the only candidate for governor who can defeat Sinclair at the November election.

Hatfield's the Man

George Hatfield, Republican candidate for lieutenant governor, makes a good impression on all who have the pleasure of meeting him. He is the type of individual we need in public office at this time.

He does not make any rash promises but only states that, if elected, he would do all he could to relieve the burdens for all suffering from the depression. Hatfield has had experience in governmental affairs and will be able to do something.

How much better it is for a candidate to be frank than to make a lot of vague promises or tell beautiful stories impossible of realization. High sounding phrases and colorful fiction will not obtain jobs for the unemployed or solve our social and economic problems.

We need a practical and experienced leader as lieutenant governor. George Hatfield has these qualifications and in addition is a two-fisted fighter for what he believes is right.

MENLO PARK NEWS

D. E. O'Keefe, a member of the county Republican committee, is organizing a Merriam for Governor Club in Menlo Park. He is soon to start a petition. Many in town have signified their intention of signing. It is believed that Merriam will carry Menlo Park by a two to one vote over Sinclair. Haight will receive a very small vote. A ballott for him is virtually a vote for Sinclair.

A straw vote was taken the other day in Menlo Park. Two hundred citizens announced their intention to vote as follows:

Merriam, 125; Sinclair, 75; Haight, 25.

The Defenders League of California held a dinner meeting at Bertrand's Inn Wednesday night. Representative citizens from all parts of Northern California were present and the aims and purposes of the organization were explained. James B. Howell is the chairman of this group. Fred C. Metcalf is chairman of publicity.

Several members of Menlo Park American Legion Auxiliary, Unit No. 443, attended the installation of county council officers of the auxiliary in Burlingame Friday night. Isabelle Weeden Lindquist was appointed county council musician for the term.

Articles left over from the P.-T.A. sale which was held in Central School Auditorium last week were disposed of at a sale held in the Morey building, next door to the postoffice, Wednesday afternoon.

Mrs. Hilda Klock and a friend from Oakland spent Sunday with her family, the Richard Longfellows.

The following women attended the regular monthly entertainment given at the Veteran's Hospital Tuesday afternoon; Isabelle Weeden Linquist, Ethel French, Dora Scott Devol, Meta Kugeler and Clarissa Ross of Menlo Park, and Mrs. M. Bullivant of Redwood City.

Mrs. W. H. Weeden has been confined to her home with a severe cold, but she is better now.

The second of a series of card parties given by the Mothers' Club of St. Joseph's School was held in the Parish House Wednesday afternoon.

As a result of the growing realization of the fact that there is in existence in our state a definite program and organization of interests inimical to our standards of Americanism, and destructive of not alone our financial and economic structure, but also of our homes, our school system, our religion, and our families, a number of citizens of San Mateo county have held meetings recently and on Thursday, October 4, a new organization was launched, and the following executive board was elected.

James B. Howell, Atherton, chairman; Asa M. Hull, San Carlos, vice chairman; H. H. Smith, Daly City, vice chairman; Aylett R. Cotton, San Mateo, vice chairman; Alvin S. Hatch, Half Moon Bay, vice chairman; Chris Jordan, Belmont; J. Lawson, By Shore; Harry Weeden, Menlo Park; T. Louis Chess, San Mateo; Senator H. L. Parkman, San Mateo; Assemblyman Frederick Peterson, Burlingame; George K. Whitworth, Menlo Park, secretary; Mrs. Mona L. Christainsen, North Palo Alto, field secretary; D. E. O'Keefe, publicity.

A series of district dinner meetings will be held beginning Wednesday, October 17, and about 50 persons from each of the five districts will be invited by the plan of writing to the presiding officer of the leading civic, commercial, fraternal and development organizations in the county, requesting that they attend and bring a few of the leading members of their organizations who are known to be public-spirited citizens, and interested in hearing an explanation of the principles and program of a permanent county, and eventually statewide, organization of truly patriotic men and women.

The name chosen for this new organization was "Defenders League of California" and from the comment of men in other parts of California who have been consulted it is believed that this movement will spread, and that county units will be organized following the lead of San Mateo county.

Edward F. Stone, 66, Dies at Menlo Park

Edward Franklin Stone, 66, a native of Wisconsin, died at Menlo Park Sunday. Surviving him is a brother, Charles Stone, of Milwaukee, Wis.

Funeral services will be held at 2 o'clock Wednesday afternoon at the Layng & Tinney Funeral Home. Interment will be at Union Cemetery.

Quick Response Noted in City's 'Disaster Call'

Members of the Redwood City Fire Department repeated some of their ladder work demonstrations of Saturday afternoon for the benefit of the hundreds who turned out for the "major disaster call" sounded Saturday evening by Mayor Charles G. Lambert as part of "Fire Department Day."

Speedy response was given to the call by the members of participating organizations, while hundreds of visitors and onlookers crowded around at Main street and Broadway, the rallying point.

In the afternoon the firemen gave a rapid-fire program of ladder and rescue stunts at their drill tower in the rear of the Central Firehouse before a crowd of spectators.

The day concluded with the firemen's annual grand ball Saturday night at Foresters' Hall, attended by a large number of persons.

Cookery History Full of Many Traditions, Says Miss Heath

Cooking history incorporates some of the most fascinating traditions of the human race for the culinary arts are the oldest with which modern man has acquaintance. The intriguing mystery of cookery has lasted throughout the ages from the time when the primary need was for filling, substantial food that satisfied up to the present day when appetites are capricious prima-donnas that require coaxing and teasing.

"Now, more than ever before," in the words of Miss Hester Heath, who will present her fascinating series of talks for The Tribune, "the modern housewife has an opportunity to incorporate not only old, food traditions, but to exercise her ingenuity as well and to put real romance into her kitchen."

From time immemorial, high honors have been heaped upon masters of coookery. French chefs who offered their kings a more tasty bit of pastry, a new sauce or consomme to tickle the royal palate, were given decorations and titles.

Mark Antony even gave a favorite cook an entire city of 35,000 people as a premium for one delectable salad.

Henry the Eight of England bestowed an estate and baronetcy for the discovery of a new bouillon.

No royal honors or emoluments are in the offing for the modern homemaker who has a six-by-eight kitchenette as her culinary laboratory, but she can have just as much enjoyment peparing a delicious dinner for her husband or guest as did the famous chefs of old, Miss Heath points out. The best part of it all is that the modern housewife has a great deal more material with which to work. Spices and condiments were treasured in Columbus' day and he voyaged in quest of the Indies to find them. Now the homemaker has worlds of flavorful spices at her elbow with which she may experiment to her heart's content.

Miss Heath's lectures and demonstrations will take up every phase of cookery and we know that every housewife in Redwood City will enjoy these programs. The Tribune invites you to attend each aftenoon from 2 to 4 o'clock in the McKinley School auditorium. There will be entertainment and instruction awaiting you and there is no obligation whatsoever. Come and learn the latest fashions in foods.

Watchman Held On Gun Charge

William Viden, 28, watchman at the Timothy Hopkins estate in Menlo Park, was held in the county jail here today on charges of violating the alien gun law and of malicious mischief.

He was arrested by the Redwood City police shortly after midnight today after he allegedly smashed a window at 633 Hopkins avenue here and attempted to get into the house. A telephone alarm was sent to the police.

Viden, according to the police, said that he wanted to get into the house to see the maid there. In his possession was found an automatic pistol and a flashlight.

Pedestrian's Death Brings $40,000 Suit

VICKS COUGH DROP

Here Is The PROOF

Chan & Kong,
Redwood City,
Gentlemen:

For a long time I suffered with painful coughing spells at frequent intervals. I also was afflicted with terrible headaches and nervousness.

I took cold every few days and was in constant misery and considerably weakened by these conditions.

Several weeks ago I noticed an advertisement of the Chan & Kong Herb Company.

I was hesitant about going to a Chinese herbalist but as I had tried everything with no relief I decided to give them a trial.

After taking the herbs for only two weeks I got immediate relief and am now on the road to complete recovery.

I feel in good health, thanks to Chan & Kong and gladly recommend them to any person suffering as I did.

(Signed) A. CARDONA,

Have mercy on your stomach

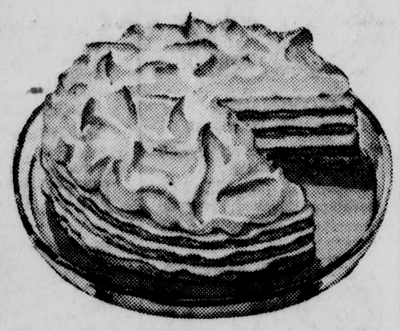
Cook with CRISCO—it digests quickly

You don't need to take the joy out of eating in order to protect your digestion. You can gladly say "yes" to wholesome Crisco pies and crispy Crisco-fried foods! Yes, they can be good for you—because Crisco is *the digestible vegetable* shortening that doesn't over-burden your stomach.

Most every day something is fried in your house. Is it grease-soaked and hard to digest—or is it brown and crispy the way Crisco-fried foods are? Crisco can be heated higher—so it seals food quickly in toasty brown—which prevents fat from soaking into the food. That's why Crisco-fried foods digest quickly!

But let your common sense tell you. Look at Crisco—see how it piles up like thick country cream on a spoon! Taste its sweetness. Why, there's nothing like Crisco, because Crisco is made from digestible vegetable oils by its own secret process!

When you buy Crisco, look for the familiar blue-and-white label. Crisco's vacuum-sealed can is a health-protection to you.



CORONATION BUTTERSCOTCH PIE
(a pie that doesn't look like a pie—it has 3 layers like a cake)

The Filling:
2 tablespoons Crisco
¼ cup flour
3 egg yolks, lightly beaten
1¼ cups brown sugar
½ teaspoon salt
2 cups milk (hot)

To make filling—Mix sugar, flour, and salt. Add milk and cook until mixture thickens. Just before removing from stove stir in beaten yolks and Crisco. Let stand while preparing delicious sweet-tasting Crisco pastry.

Digestible Crisco Pastry
2 cups flour
⅔ cup Crisco
¼ teaspoon salt
ice-cold water

To make pastry—Sift flour and salt. Cut in Crisco with two knives until the size of peas. Add water (6 to 8 tablespoons) enough to hold dry ingredients together. Divide the dough into 3 parts and roll each out to a sheet. Cut into rounds, 8 or 9 inches in diameter. Place separately on baking sheets, pricking each well. Bake in hot oven (425°F.) until delicately brown. Put pie together like layer cake, with filling on top also. Cover with meringue made by beating 3 egg whites thoroughly with 6 tablespoons sugar. Brown slightly in slow oven (325°F.). Serve as soon as cool.

Crisco is the registered trade-mark of a shortening manufactured by The Procter & Gamble Co.
